Viswadeepthi Public School fixed its fee structure on the basis of the following factors :

- * The Location of the School where it is situated
- * Based on the income source of the parents whose children are studying here in our school.
- * The infrastructure of the school building.
- * The facilities provided and mentioned in the school website.
- * The educational standard of Viswadeepthi Public School.

- * The salaries of the qualified teachers and non-teaching staff of the school.

These norms are formed by the school Managing Committee.

- * We have taken the textbooks after thoroughly checking the contents of the books.
- * We have not chosen any book that inflicts any kind of hurt feeling on children in the name of race, colour, and gender differences.
- * It has also been ensured that the book does not contain any content that breeds religious communal thinking.
